DOEHRS-IH
Limited Deployment

Naval Medical Center, San Diego

Don Cowles

March 2006

Purpose & Outline

Purpose … contribute to enhancing future deployments

Outline

Background

Highlights

Potential Benefits/Challenges

Way Ahead

Take Away

Background

Department Head (interim) … CAPT Gary Cheely, MSC, USNR

DOEHRS-IH Working Group

Mr. Juan Betancourt

Mr. Mark Bipes

Mr. Don Cowles

Ms. Nancy Estrada

Ms. Nancy Godfrey

Mr. Chuck Goodman

Mr. Al Hidalgo

Mr. Alec Wong

Background

- **Non-IHIMS** command
- **Training** … 13 Feb – 3 Mar 06 … 2 weeks for all staff
- **Basic concepts about DOEHRS-IH**

  * Longitudinal OccEnvHealth exposure records

  * Does not replace IH survey reports

  * Another tool to enhance IH services

  * *Processes* & *Shops* (not organizational structure)

Highlights

- ***"Navy Guidance & Tips for Using DOEHRS-IH"*** …

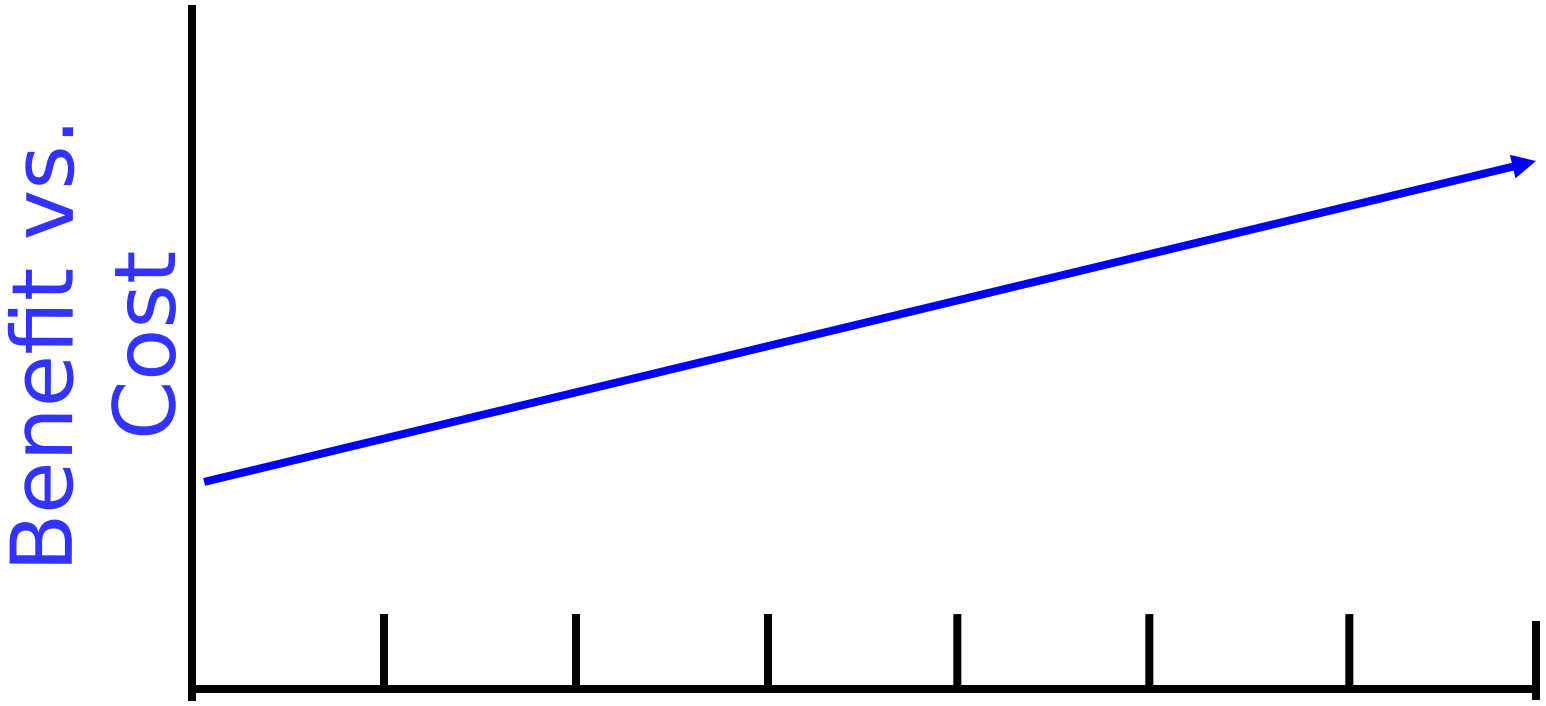
  NEHC, Mr. John Bishop

- Outstanding trainers
- Navy Functional Rep on-site during training
- Post-training communications with developers

Potential Benefits/Challenges

- Comprehensively document OEL/AL exposures
- Support SEG development
- Compile longitudinal histories
- Enhance planning & scheduling
- Potential benefits pending - examples:
  * Availability of Reporting & Ventilation Functions
  * Availability of Handheld PC Tablets
  * Resolution of synchronization & connectivity issues

Way Ahead



DOEHRS-IH maturity & staff knowledge timeline

Way Ahead

- NMCSD DOEHRS-IH Working Group
- 90-day roll-out period … through 2 Jun 06
  * Step-wise deployment via 3-4 person groups
  * Concurrent development of SOP/Business Rules
- Operational Evaluation … Apr-May 06 ???
- Continued deployment & improvement

Take Away

- Does not replace IH survey reports & services
- DOEHRS-IH focuses on positive exposure assessments
- More comprehensive evaluation when:
  * Functions become available (Reporting, Vent, etc.)
  * Handheld PC Tablets become available & synchronization challenges resolved
